NOTICE

"Old Timers" well remember how nursery stock SOARED in price immediately following World War No. 1. Apple trees sold for $400.00 per 1,000 and up; Cherry trees $600.00 and up, and other stock accordingly. Don't be caught with nothing to sell when the war is over. Note our cheap prices on FRUIT TREE SEEDLINGS on page 3. If you are short of help, graft some and line out other stock to bud. "PLANT TO CATCH THE RISE."

APPLE GRAFTS

Each year we put up a large quantity of apple grafts for the trade. We have our own seedling and scions and we do not skimp in material used. Work is done by experienced men who have been at it for many years.
